FROM THE MAYOR

There is a feel of fall in the air with the arrival of September. With this in mind, we are looking forward to this year's Sassafras Festival. The sassafras leaves are turning a beautiful golden color, the night air is much cooler and excitement is in the air. Activities are being planned for everyone from our small children to our senior adults.

The Festival will begin on Thursday evening October 1st and end Saturday night October 3rd. Included will be a youth softball tournament, carnival, food, crafts, car show, antique tractors, SC Department of Natural Resources with their Shooting Range Simulator, US Forestry Service will bring Smokey the Bear, the National Guard with an IED Explosive Sweeper, police vehicles, construction equipment and many others.

Our main purpose is to provide a time of fun, food and festivities for our families, as well as families in our surrounding area for everyone to enjoy.

Y'all come!!!
Jon

We hope you enjoy this year's Horse Creek/Midland Valley Sassafras Festival
